Full Time Hood Cleaning Technician

Job Location

Davenport – Quad Cities

Job Description

We are searching for someone who is looking for a full-time hood cleaning foreman position. This job involves traveling in a company vehicle with another hood cleaner and cleaning grease from a customer's kitchen exhaust system: fan, duct, filters, appliances, etc. The bulk of these jobs are completed during the nighttime hours; however, we also have jobs that may be completed during the day. Employees will be working with pressure washing equipment, scrapers, degreasers, and kitchen grease. AirwayZ Inc. has been in business for over 70 years and we're looking for someone to join our team full time.

Job Responsibilities

- **Kitchen Exhaust System Cleaning: fans, filters, hoods, ductwork, and appliances**
- **Ensuring the van is stocked with supplies**
Communication with the customers before, during and after job completion
- **Logging your hours and services in the AirwayZ app.**
- **Miscellaneous shop work as needed**

Job Requirements

- **Mechanical Ability**
 - **Basic mechanical aptitude is needed for this position (hand tools, drills, etc.)**
 - **Additional mechanical ability is a plus**
- **Valid Driver's License**
- **You will be driving a company van to complete your service calls.**
- **Relatively physically fit**
 - **Climbing ladders, kneeling on the floor & kneeling on appliances, cleaning appliances, ductwork, filters, fans etc. require the employee to be in good physical condition.**
- **Willingness to learn and be trainable**
- **Flexible Schedule**
 - **Due to the nature of our customers, we usually clean Sunday night through Thursday night. One day could be night jobs and the next could be day jobs. There is not a set schedule and shifts are determined by customer workload.**
 - **Be flexible to work with coworkers' schedules as well, we're a team here.**
- **Reliable**

Compensation & Benefits
